Sun Coleus Abbey Road

Sun Coleus makes a bold, colorful statement in containers or the landscape. Magnificent when grouped together with other Sun Coleus varieties of different colors and textures! Easy to grow and very versatile because they will do great in sun or shade!

Solenostemon scutellarioides 'Abbey Road'

- ***Use:*** Fabulous for pots, hanging baskets, and window boxes with its modest size. Cutting grown.
- ***Exposure/Soil:*** Sun– shade (less color on leaves in shade), very easy to please. Provide well-drained, moist soil, but not soggy. Use a slow release fertilizer. Superb in borders, beds, and open woodland gardens.
- ***Growth:*** Grows quickly12-24" tall or more and 2' wide
- ***Hardiness:*** Zone 9-10, Annual or houseplant, some people have luck with them coming back in sheltered locations
- ***Foliage: A***ttractive serrated pointy leaves remain light green in color with distinctive dark red veins throughout the year.
- ***Flower:*** Not known for flowers, but they are small flowers on purple stalks in fall.
