

# Pretty Pink Mandevilla Trellis

## *Mandevilla x 'Pretty Pink'*

- **Use:** Delicate pink 2- to 3-inch flowers are backed by glossy green foliage. Superior branching and somewhat compact habit make it an ideal choice for trellises, hanging baskets and containers with climbing support. Blooms appear throughout the summer. So easy to grow! They will tolerate the hottest sun and humidity! Attracts lots of hummingbirds. Great to climb up your mailbox.
- **Exposure/Soil:** Full- part sun. Moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year. Water regularly, when top 3 in. of soil is dry. Prefers to be root bound so if you plant in the ground be sure to plant them pot and all in the ground so you can easily bring it inside for the winter.
- **Growth:** Moderate grower with stems reaching 6 to 8 ft. long.
- **Hardiness:** **Zone 9-11**; Annual, Must bring inside in the winter.
- **Foliage:** Long oval leaves. Evergreen if brought indoors in winter
- **Flower:** Delicate pink trumpets bloom April- October nonstop!

**Great to train on your mailbox or to put in a planter near the pool.**
