

Large Calliope Geranium

Dark Red

**Rose Mega
Splash**

Lavender

**Use in pots, baskets,
or in flower beds.**

Pelargonium 'Calliope Large Series'

- **Use:** Outstanding performer and super beauty. Produces great big blooms all summer long. Geranium newbie? Start right here. Semi-double, velvet blooms, bright-green ivy foliage, and trailing habit, infuse window boxes, hanging baskets and flower pots with outsize floral pizzazz. Deadheading insures a steady stream of luscious blooms from late spring into autumn. Resilient variety quickly rebounds from summer downpours. Happily immune to heat, humidity and drought, breakthrough plant is a cross between a zonal geranium and an ivy geranium, representing the best features of both.
- **Exposure/Soil:** Loves full sun or at least 4-5 hours of afternoon sun. **They love the heat!** Water 2-3 times a week, but may need daily watering with 90 degree plus temps. Use a bloom food weekly. If you are not good at watering get some Soil Moist. Try to keep water off of the leaves. Remove spent flowers and the whole stem. Requires well-draining soil and appreciates slow release fertilizer. Water regularly under the leaves.
- **Growth:** Moderate grower trails to 14-16" tall and 20-24" long.
- **Hardiness:** Zone 9-11; Annual, Houseplant
- **Foliage:** Dainty, green leaves.
- **Flowers:** Vibrant, semi-double flowers perform unlike well above other types of geraniums. Constant blooms spring– fall. From our experience one of the top geraniums on the market.

**5 months of nonstop
blooms. Our best sell-
ing item! Buy them
before we sell out!**
