

# Baby Star Amaryllis

Comes back  
every year and  
very easy to  
grow!

## *Amaryllis hippeastrum* 'Baby Star'

- **Use:** This easy-to-grow bulb is a real gem! Our bulbs are larger than most other stores which means more flowers! Plant 7 weeks before Christmas to enjoy flowers for the holidays! Amaryllis are perennials here in Georgia and come back every year with more and larger flowers each summer! Our premium Dutch bulbs are selected for their size, beauty and reliability. Each bulb will produce at least 3+ stems and a total of 12+ flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained.
- **Growth:** The non-invasive stems spread out to 3' wide each season.
- **Hardiness:** Zone 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** Produces small red-and-white striped flowers on 12- to 14-inch-tall stems Miniature Amaryllis have all the wonderful qualities of their larger relatives; however, they produce a larger number of smaller flowers per stem and more stems. These novelties are sure to please and will provide brilliant color indoors during those dreary winter days

**Did you know that we recycle empty pots and trays? Please bring them back! Save the Earth!**
