

# Magnum Amaryllis

Comes back  
every year and  
very easy to grow!

## *Amaryllis hippeastrum* 'Magname'

- **Use:** This easy-to-grow bulb is a real gem! Our bulbs are larger than most other stores which means more flowers! Plant 7 weeks before Christmas to enjoy flowers for the holidays! Amaryllis are perennials here in Georgia and come back every year with more and larger flowers each summer! Our premium Dutch bulbs are selected for their size, beauty and reliability. Each bulb will produce 2-3 stems and a total of 12+ flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained.
- **Growth:** The non-invasive stems spread out to 3' wide each season.
- **Hardiness:** Zone 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** A red Amaryllis is traditional at holiday time and 'Magnum' delivers beyond expectations. As petals unfurl, they reveal an unusual soft green along their tips, which adds a dramatic and elegant effect to the intense red tones.

**Did you know that we recycle empty pots and trays? Please bring them back! Save the Earth!**
