

# Red Lion Amaryllis

Bulb size 30/32 cm

Comes  
back every  
year and  
very easy  
to grow!

## *Amaryllis hippeastrum* 'Red Lion'

- **Use:** This easy-to-grow bulb is a real gem! Our bulbs are larger than most other stores which means more flowers! Amaryllis are perennials here in Georgia and come back every year with more and larger flowers each summer! Our premium Dutch bulbs are selected for their size (32/+cm), beauty and reliability. Each bulb will produce at least 2 stems and a total of 8 flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained.
- **Growth:** Grows 12" tall. After blooming is finished wait until after last frost in spring and then plant outdoors. They will then rebloom each year in summer.
- **Hardiness:** 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** Deeply textured, crimson blooms. After flowers have faded keep watering bulb lightly until last spring frost and then plant in your garden.
