

Million Bells

Calibrachoa sp.

- **Use:** Excellent used in beds, borders, hanging baskets , and containers. Lovely near your pool or water features. Low maintenance. Deer resistant and attracts hummingbirds.
- **Exposure/Soil:** Loves full sun or at least 4-5 hours of after-noon sun. They love the heat! Water 2-3 times a week. Try to keep water off of the leaves. Requires well-draining soil and appreciates slow release fertilizer. Water regularly under the leaves. If you are not good at watering get some **Soil Moist**.
- **Growth:** Moderate grower 6-8" high and 12-20" trailing.
- **Hardiness:** Tender perennial, Some people have luck with them coming back in the ground if mulched heavily in the winter. Will not come up until following May.
- **Foliage:** Dainty, green leaves.
- **Flowers:** A profusion of cascading, purple, small petunia-like flowers all season.
