

Dahlinova Dahlia

Dahlias offer any garden that splash of hot, fresh color everyone enjoys. With dark green foliage and large blooms that seemingly burst in rich vibrant displays of beautiful long-lasting color, dahlias always deliver a brilliant contrast to any surrounding plantings. Dahlias are always picture perfect whether in the garden or in a fresh cut flower arrangement.

Dahlinova 'Dahlinova Series'

- **Use:** The hybrids in the Dahlinova® Series are compact, mounding, heavy-flowering and come in an array of colors. Their flowers are double to semi-double. Nothing beats dahlias as ever-blooming bedding plants and cut flowers. Attracts hummingbirds and is deer resistant.
- **Exposure/Soil:** Loves sun, but will take a little afternoon shade. Needs at least 5-6 hours of direct sunlight. Mulch well in the fall. Do not touch canes until following spring. Water regularly, when top 3 in. of soil is dry. Use slow release fertilizer for best results. Keep water off leaves and flowers.
- **Growth:** Grows 10-12" tall and 10-12" wide.
- **Hardiness:** Zone 8-11; Tender perennial, needs protected location.
- **Foliage:** Deciduous; Small spade shaped leaves.
- **Flower:** An array of radiant blooms will capture eyes in any garden month after month, despite the weather. Elegant flowers attract butterflies and are great for cutting. It is good to remove the buds with spent flowers to encourage continued flowering.
