

Passion Dianthus

Very easy to grow and low maintenance!
FRAGRANT!

Dianthus 'Passion'

- **Use:** Jam-packed with petals, the delightful red flowers resemble perfect little roses. With its combination of spicy fragrance that lingers on a warm summer breeze and pleasing frosty-blue foliage, this charmer will not be overlooked. From the Scent First® Series, choose a spot where you can enjoy the delicious spicy fragrance. A charmingly sweet perennial perfect for rock gardens, edging or your favorite flower pot on the deck.
- **Exposure/Soil:** Needs a sunny site with well-drained soil, but will tolerate some shade in the afternoon along with humidity. Regular watering during prolonged dry spells will be necessary. However, they are tolerant of short periods of dryness. Little water needed once established.
- **Growth:** The habit is compact and mounding to a height of about 10" tall and 10-12" wide.
- **Hardiness:** Zone 4-9, Perennial
- **Foliage:** Evergreen. Foliage remains evergreen in all but the coldest winters. Dianthus are garden classics, appearing in many shapes and colors, most with blue/green or blue frosted quill-like foliage.
- **Flower:** Double, rich velvety, fragrant flowers rise above neat dusky green foliage in late spring. Will re-bloom if spent flowers are removed.
