

Tickled Pink Dianthus

Dianthus 'Tickled Pink'

- **Use:** Deep lavender with a wonderful strong spicy perfume flowering over a long period. Great for patio containers, planters, window boxes or the front of a garden border. Flowering height approximately 9". Mid-season blooming. Easy to grow and care for.
- **Exposure/Soil:** Plant in full sun to part sun. Moderate water requirements, but somewhat drought tolerant. Must amend the soil if you have poor soil (like red clay). We recommend the Pro Mix Soil.
- **Growth:** Full sized plants grow to 8-12" inches tall and wide.
- **Hardiness:** Zones 5-11; Perennial/
- **Foliage:** Evergreen Glaucous foliage with unique dense mounding habit.
- **Flower:** Fringed bubble gum pink flowers on neatly mounded silver-blue foliage. Keep mulch away from the base of the plant. Highly fragrant double blooms. Repeat blooming.

One in the Scent First Pot Series selected for compact form and great container performance.
