

# Indian Carpet Mix Sweet William

## *Dianthus barbatus* 'Indian Carpet Mix'

- **Use:** The Indian Carpet Mix creates a colorful carpet of unique white, pink, and red blooms from spring to summer. Fragrant and gorgeous, this Dianthus is perfect for the front of any garden or planted in large groups. Butterflies love the intense color, and it is a deer resistant plant.
- **Exposure/Soil:** Prefers full sun to part shade. Water regularly, when top 3 in. of soil is dry to start. Little water needed once established.
- **Growth:** Moderate grower 6-12" tall x 12" wide and continues to spread by underground shoots.
- **Hardiness:** Zone 3-9, Perennial / Reseeding Biennial
- **Foliage:** Evergreen. Plants produce a low, dense mound of attractive green foliage.
- **Flower:** Single flowers in a wide range of colors. Use the clove like tasting petals for adding to cakes, either for flavour or decorating, suitable for soups, salads and sauces too. Repeat blooms if promptly sheared after spring flush and can continue into fall.

**Very  
easy to grow and  
low maintenance!**
