

Sugar Rush Series Wallflower

Erysimum 'Sugar Rush Series'

- **Use:** 'Sugar Rush' is much more than a traditional Wallflower, giving the home gardener something new to grow alongside pansies and violas in fall and spring. It will flower in the fall from a summer sowing and also survive through the winter (down to zone 5) only to re-flower again in the spring. The blooms are sweetly scented and the red and purple shades are ideal for Halloween containers or baskets.
- **Exposure/Soil:** Sun-part shade. Moist, well-drained soil, but not soggy.
- **Growth:** Grows 10-12" tall and wide
- **Hardiness:** Zone 5-9; perennial
- **Foliage:** Small long green leaves. Evergreen
- **Flower:** Bright and cheery winter flowers. Fragrant!
