

Hosta 'Rainforest Sunrise'

This is a collector's hosta and not readily available in the trade. Limited quantity available.

Hosta 'Rainforest Sunrise'

- **Use:** Very attractive sport of Hosta 'Maui Buttercups' is full of life. The solid golden leaves are accentuated with lovely dark green edges. "A great little hosta with sturdy leaves. Slugs do not touch it. Plant in sunny locations to bring out the bright golden centers. I think it grows better than average."
- **Exposure/Soil:** Part sun (best)–shade. Acid, moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year.
- **Growth:** Grows 10" high and 18" wide.
- **Hardiness:** Zone 5-8; Perennial
- **Foliage:** Deciduous. Heart-shaped leaves are intensely blue-green and framed by a yellow border that is narrow on some leaves and wider on others (varying from .12" to .50").
- **Flower:** The pale lavender flowers adds additional beauty to this already charming hosta.
