

# Big Twister Corkscrew Rush

## *Juncus effusus* 'Big Twister'

- **Use:** An excellent architectural element to containers or moist garden areas. Juncus is a good choice for beside a pond or stream, as a marginal water garden plant, or in any damp sunny area. This selection has dark green, spiraling leaves that are round and stem-like, with yellow stripes that run lengthwise.
- **Exposure/Soil:** Sun- part sun. Loves wet soil and water garden or bog conditions.
- **Growth:** Grows 12"-24" tall and 12"-24" wide.
- **Hardiness:** 5-9; Perennial
- **Foliage:** Evergreen; Leaves are wound tight as they emerge, and begin to relax as they mature. Stems may be trimmed back hard in spring.
- **Flower:** Flowers are brownish and insignificant.

**Did you know that we recycle empty pots and trays? Please bring them back! Save the Earth!**
