

Athens Rose Lantana

Heat, drought, and sun tolerant; flowers all season; low maintenance. Very cold hardy when established! The fastest growing lantana we have had ours for 14 years in the garden and it is amazing!

Lantana 'Athens Rose'

- **Use:** Our newest lantana addition, 'Athens Rose' has all this and more - an explosion of color that will be an 'eye popping' addition to the landscape, banks, or large containers for poolside...attracts butterflies.
- **Exposure/Soil:** Full sun– part sun. Drought tolerant once established.
- **Growth:** Large form to 3-4' tall and 3' wide.
- **Hardiness:** Zone 7-11, Perennial. **Do not cut back stems until April when you see new growth emerging!**
- **Foliage:** Scented leaves. Deciduous. Cutting grown.
- **Flower:** Lovely shades of rose - pink with yellow and magenta combined with attractive green crinkled foliage makes this new plant a 'must have'!
