

Dark Purple Lantana flat

Lantana 'Dark Purple'

- **Use:** Bring home the butterflies! Plant characteristics are similar to other Lantanas. Fine for mass plantings and banks, or containers for poolside...attracts butterflies. Deer and rabbit resistant.
- **Exposure/Soil:** Full sun– part sun. Drought tolerant once established. Needs at least 6 hours afternoon sun.
- **Growth:** Mounded form to 1 foot tall, to 1-2 feet wide.
- **Hardiness:** Zone 8-11, Tender perennial. **Do not cut back stems until April.** Water in the hollow stems will freeze out the roots in winter. Mulch heavily around the plant
- **Foliage:** Scented leaves. Deciduous. Cutting grown.
- **Flower:** Has a great show of flowers that last from spring till frost, the flowers are golden yellow, orange, and dark pink almost purple flowers that attract butterflies.

Heat and sun tolerant; flowers all season; low maintenance.
