

Dropmore Catmint

Your cats will love it! Very easy to grow!

Nepeta 'Dropmore'

- **Use:** This cultivar is a clump-forming perennial with toothed gray-green leaves and larger flowers than the hybrid. It flowers profusely and long, especially if sheared. The blue-purple flowers are small but abundant, and the foliage is aromatic.
- **Exposure/Soil:** Plant in full sun to partial sun, in well drained soil. Use slow release fertilizer two times a year.
- **Growth:** Grows 1-3' tall and wide.
- **Hardiness:** Zone 4-8 Perennial
- **Foliage:** Deciduous. Foliage is aromatic.
- **Flower:** A rough shearing (cut stems back by about 2/3) after bloom keeps the plants' habit neat and will encourage repeat bloom until frost.
