

# Orange Perfection Garden Phlox

## *Phlox paniculata* 'Orange Perfection'

- **Use:** This salmon orange beauty will be the Phlox 'perfection' you seek. To everyone's delight, this beauty is also attractive to butterflies and hummingbirds. Place these gorgeous cut flowers in your favorite vase for stunning arrangements. Afternoon shade is needed for best display of true color. Stunning alongside purple Agastache or white Echinacea Cheyenne Spirit.
- **Exposure/Soil:** Prefers full sun to part sun. Water when top 3" of soil is dry. Does not like sprinklers, water soil not leaves.
- **Growth:** Fast growth of 3' tall and 2' wide.
- **Hardiness: Zone** 4-8; Perennial.
- **Foliage:** Deciduous; Light green foliage. Provide good air circulation and may need an occasional fungicide treatment to prevent powdery mildew if using sprinklers or rainy year.
- **Flower:** This garden phlox is one of the most unusual varieties available. Fragrant, 5 to 8 inch, salmon-orange flower trusses provide color all summer. Deadhead often for nonstop blossoms until frost.

**Fragrant, Great for  
Bouquets, and  
Attracts Butterflies and Hummingbirds**
