

White Obedient Plant

Easy to grow and prefers full sun.

Physotegia virginiana 'Crystal Peak White'

- **Use:** Fleuroselect gold medal winner. Self cleaning sparkling white flower spikes do not fade or brown with age. Outstanding compactness and uniformity works very well as a mass planting or in a mixed container. Flowers quickly and all season long. Uniform, compact plants have deep green leaves and snowy white blooms. Abundant blooms and self-cleaning of old flowers have made this one an award winner.
- **Exposure/Soil:** Full– part sun, very easy to please. Prefers well-drained soils so please amend red clay. Use a slow release fertilizer.
- **Growth:** Grows quickly 14-16” tall or more and 12” wide
- **Hardiness:** 5-9; Perennial
- **Foliage:** Deciduous; long leaves
- **Flower:** A multitude of white flower spikes throughout the summer.
