Rudbeckia 'Happy Smileyz'

- **Use:** Wonderful blooms of orange and maroon, for summer borders, flowering from June to October and attracting bees to your garden. The dense, multi-branched plant with lush green foliage and a profusion of charming, colorful blooms is just what is needed to brighten a border, bed, or container.
- **Exposure/Soil:** Prefers full-part sun It's fairly drought tolerant and needs little water once established. Good drainage is a must for it to survive through our wet, southern winters
- **Growth:** Fast growing; reaches 12– 15" in. tall, 12 to 15 in. wide.
- **Hardiness:** Zone 7-9 Perennial/ Reseeds. Very heat and drought tolerant!
- **Foliage:** Deciduous. Slightly fuzzy leaves.
- **Flower:** Produces big flat daisy flowers with red centers and orange tips. Prune old flowers from mid summer until fall frost. Prune old flowers for the most flowers.
