

Flutter Rose Pink Pincushion Flower

Scabiosa columbaria 'Flutter Rose Pink'

- **Use:** Graceful rose-pink flowers with ruffled petals and pincushion centers appear to float from delicate stems. Compact growth habit makes this an ideal plant for rock gardens, borders and containers. Long and profuse blooming from late April until frost. In mild winter climates, it blooms almost all year long. They attract butterflies and are superb for cutting. Tidy plants are valued for mass bedding effects or mixed perennial borders. Perfect for container gardens. Attracts butterflies!
- **Exposure/Soil:** Prefers morning sun and afternoon shade. Water regularly, when top 3 in. of soil is dry. Appreciates slow release fertilizer twice a year. Once established needs only occasional water.
- **Growth:** Grows on 12-14" tall and 10-12" wide
- **Hardiness:** Zone 5-9; perennial
- **Foliage:** Deciduous
- **Flowers:** Wonderful large pink flowers from June to October. Perpetual flowering if old flower heads are removed. Spring-Fall. Deeper colors, better habit and larger flowers than 'Butterfly Blue' and 'Pink Mist'.

Tiny flowers pinched together in the middle and fluffy petals on the

outside create a beautiful blooms that work well in beds, borders, and even containers and baskets! These pink fluffy blooms are the perfect touch to both containers and the landscape and will make your garden enviable! It is sure to attract compliments and attention for seasons to come!
