

Sedum Lime Twister

Sedum 'Sunsparkler' Lime Twister'

- **Use:** A new and exciting, ground-hugging, hardy succulent with two-tone lime green leaves edged in creamy yellow. Soft pink flower clusters bloom in late summer. Colorful, easy-care and drought resistant - perfect for brightening mixed containers or massing in a border or rock garden. Stunning small-scale groundcover. Evergreen in mild winter regions.
- **Exposure/Soil:** Plant in full sun, but will tolerate some shade. Prefers well-drained soil, but it will tolerate most soil types and is drought resistant.
- **Growth:** Reaches 4 in. tall, spreading to 18 in. wide.
- **Hardiness:** Zone 3-8; Perennial
- **Foliage:** Deciduous. Succulent variegated branch sport featuring stunning cream-colored edges on every leaf.
- **Flower:** Hot pink flowers in late summer to fall.

**Drought tolerant and so easy to grow!
Very good at controlling weeds also.**
