

Endurascape Purple Verbena

Blooms for 5 months and comes back every year! Attracts butterflies.

Verbena 'Balendakle'

- **Use:** A vibrant purple selection from the first verbena that's hardy to the low teens and reblooms in spring. This hardy landscape verbena beats them all for summer performance - it takes the heat and stays in flower longer! Vivid colors that last, dense branching, and excellent powdery mildew resistance. An herbaceous perennial in mild winter regions; treat as an annual elsewhere.
- **Exposure/Soil:** Sun-part sun. Moist, well-drained soil, but not soggy. Water when top 3" of soil is dry. Do not water center of the plant, try to water under the leaves. Drought tolerant once established.
- **Growth:** Grows 8" tall and continues to trail 1-2' a year wide
- **Hardiness:** Zone 7-10, Perennial
- **Foliage:** Deciduous
- **Flower:** Over 5 months of purple blooms.
