

Endurascape Red Verbena

Verbena 'Endurascape Red'

- **Use**: This hardy landscape verbena beats them all for summer production. It takes the heat and stays in flower longer! Its vibrant color and superior branching create a full habit bursting with blooms—ready to brighten any garden. Mildew-resistant and very, very floriferous!
- **Exposure/Soil**: Sun-part sun. Moist, well-drained soil, but not soggy. Water when top 3" of soil is dry. Do not water center of the plant, try to water under the leaves. Drought tolerant once established.
- **Growth**: Grows 8" tall and continues to trail 1-2' a year wide
- **Hardiness**: Zone 7-10, Perennial
- **Foliage**: Deciduous
- **Flower**: Over 5 months of red blooms.

Blooms for 5 months and comes back every year! Attracts butterflies.
