

# Temari Red Verbena

## *Verbena 'Temari Red Improved'*

- **Use**: Good for trailing in a basket, on the ground, windowboxes, or in a container. Looks gorgeous planted up against variegated grasses in containers.
- **Exposure/Soil**: Sun-part sun. Moist, well-drained soil, but not soggy. Water when top 3" of soil is dry. Prefer not to be watered by sprinklers. Water under leaves. Do not water center of the plant, try to water under the leaves. Drought tolerant once established.
- **Growth**: Grows 8" tall and continues to trail 1-2'. Upright, but with a mounding habit.
- **Hardiness**: Zone 8-10, Tender Perennial, will need mulch in the winter.
- **Foliage**: Deciduous; small lobed leaves
- **Flower**: Deep red flowers all season

**Blooms  
for 5 months and attracts  
butterflies.**
