

# First Love Pink Speedwell

## *Veronica 'First Love'*

- **Use:** Use massed at the front of the border. They make beautiful long-lasting cut flowers. Excellent for borders and butterflies love them. We find them to be an underappreciated workhorse of color in the garden and for cut flowers.
- **Exposure/Soil:** Full sun to very light shade. Well-drained soil is key to successful culture.
- **Growth:** Grows 6-8" tall and 2 feet wide.
- **Hardiness:** Zone 4-8 Perennial, Must be mulched in the winter.
- **Foliage:** Deciduous. Long, dark green glossy foliage.
- **Flower:** Brilliant, nearly fluorescent pink flowers packed into tapered spikes emerge from dense clumps, providing fantastic summer color.

**Deer resistant and attracts butterflies.**
