

Purpleicious Speedwell

Deer resistant and attracts butterflies.

Veronica 'Purpleicious'

- **Use:** This lovely brings intense violet color to the summer garden on fragrant, tapered spikes. Attractive to butterflies and hummingbirds, 'Purpleicious' is overlooked by both deer and rabbits. Growing to only about 20" tall atop clumps of 6-8" mounded, green foliage, plant this one in a container or border garden for a gorgeous, fragrant statement.
- **Exposure/Soil:** Full sun to very light shade. Well-drained soil is key to successful culture.
- **Growth:** Grows 16-20" tall , 12-18" wide
- **Hardiness:** Zone 4-8; Perennial
- **Foliage:** Deciduous. Long, narrow, dark green foliage.
- **Flower:** Bearing upright wands of bright purple flowers, looking very Astilbe-like, for weeks on end, starting in early summer until winter frosts. We love them as cut flowers too!
