

Radiance Glossy Abelia

Abelia 'Radiance'

- **Use:** A new sport of Abelia 'Kaleidoscope'. This white variegated Abelia stands out above any other because of its vigor and ability to maintain color and density throughout the year. Perfect as a low accent plant, in mass landscape plantings or as a container plant. Deer resistant.
- **Exposure/Soil:** Full sun to part sun; moist, well drained soil; dislikes wet sites. Water regularly, when top 3 in. of soil is dry.
- **Growth:** The tight compact habit reaches 3' x 5' at maturity and holds a beautiful form throughout the season.
- **Hardiness:** Zone 6 -9; Shrub
- **Foliage:** Evergreen. New foliage is medium green with creamy yellow margins, aging to silvery-green with cream white margins. Its variegated foliage has proven to be more stable than other white Abelia varieties and produces minimal water shoots. The vivid crimson stem colors provide a dramatic contrast to the variegated foliage.
- **Flower:** Fragrant white tubular flowers appear from mid summer through fall.

**Fragrant
blooming
shrub with
year round
interest.**
