

# Azalea Coral Bells

**A profusion of-  
pink flowers!**

## ***Azalea 'Coral Bells'***

- **Exposure/Soil:** Part shade. Moist, well-drained soil, but not soggy.
- **Growth:** Moderate grower to 2 to 4 ft. tall and 3 to 5 ft. wide.
- **Hardiness:** 6-9; shrub
- **Foliage:** Tiny evergreen foliage on a low spreading form.
- **Flower:** Kurume hybrid. Abundant coral pink hose-in-hose blooms with darker pink centers and veins make a wonderful spring show.
