

# Azalea Higasa

**Good for use in flower beds.**

## ***Azalea 'Higasa' (Satsuki type)***

- **Use:** Beautiful, mounding shrub helps extend flowering season! Great color for containers, or use as a low border shrub.
- **Exposure/Soil:** Part shade. Moist, well-drained soil, but not soggy.
- **Growth:** Grows 5' tall and 5' wide.
- **Hardiness:** Zone 7-9; Shrub
- **Foliage:** Evergreen; Small, bright green leaves give year-round appeal.
- **Flower:** Huge, flat blooms of deep rose-pink with paler margins in late spring.
