

Azalea Vivid Red

This variety makes a great low growing border along shady walkways, foundation plantings on the shadier shade of any house, building, etc. maintains a nice neat shape with minimal trimming & maintenance.

Azalea 'Vivid' (Girard Azalea)

- **Use:** Vivid Azalea is a super compact, tightly branched little azalea that packs a huge colorful punch!! Very small, glossy dark green foliage is totally evergreen.....and literally covered with bright cherry red blooms all spring.
- **Exposure/Soil:** Part shade preferred. Moist, well-drained soil, but not soggy.
- **Growth:** Moderate grower to 2.5-4' ft. tall and 3-4 ft. wide. Low and spreading. Makes an attractive ground cover.
- **Hardiness:** Zone 7-9; Shrub
- **Foliage:** Evergreen, Tiny foliage on a low spreading form.
- **Flower:** Bright red blooms have a semi ruffled look, and are actually a decent size for such a compact little variety. Vivid is known to produce sporadic blooms pretty much all season long, with main color display coming in early to mid spring.
