

Chestnut Hill Cherry Laurel

Prunus laurocerasus 'Chestnut Hill'

- **Use:** A more compact selection of Otto Luyken Cherry Laurel. Excellent hedge, background or screen.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Slowly reaches 4 ft. tall and wide.
- **Hardiness:** Zone 2-10 Shrub
- **Foliage:** Evergreen. Glossy foliage with a refined look on a dense, vase-shaped form displaying a layered effect.
- **Flower:** Stalks of fragrant white flowers appear in spring.

Excellent hedge with glossy, dark green foliage.
