

It's a Breeze Rose

**Disease-resistant
and easy to grow!**

Rosa 'It's A Breeze'

- **Use:** An attractive dark red groundcover rose with excellent resistance to disease. Excellent ability to rebloom and continues blooming well into the fall. A vigorous variety that is winter hardy to zone 4 and heat tolerant.
- **Exposure/Soil:** Full to part sun. They must have well-drained soils, so if you have red clay you must amend it. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Grows 2.5–3' H x 3–4' W
- **Hardiness:** Zone 4-11; Shrub
- **Foliage:** Deciduous. Resistance to black spot leaf disease and powdery mildew as long as they are not overhead watered.
- **Flower:** Dark red blooms tend to occur in clusters beginning in Spring and rebloom through Fall. Expect these flowers to emanate a mild rosy fragrance as well. They're quite popular with pollinators, as well as cut flower fans.
