## *Rosa 'Pink Enchantment'*

- **Use:** Beautiful Big Blossoms Appear Like Magic! Imagine a Rose created for Cinderella by a stroke of her fairy godmother's magic wand! Such a Rose might look like Pink Enchantment®! This Eleganza® rose features soft, pearly pink blooms that transform any garden into fairytale land. With its enticing, light petals that together produce frilly, cupped blooms of 3 to 4 inches, Pink Enchantment® can create an upbeat, fantasy-like atmosphere in a variety of environments. Great for beds, borders and containers, the Hybrid Tea blooms in flushes throughout the season with creamy pink petals with dark pink crenate edges and bright pink centers. The blooms sit atop a bushy, upright plant and are set off magically against thriving, glossy dark-green foliage.
- **Exposure/Soil:** Full to part sun (at least 6 hours). During the winter they prefer well-drained soils. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Grows 4' feet tall and 3' wide.
- **Hardiness:** 5-10 Shrub
- **Foliage:** Deciduous. Semi-glossy, dark green, dense, leathery foliage.
- **Flower:** Cream with pink-edged flowers; a hybrid tea with moderate fragrance. Large, cupped and slightly ruffled bloom form. Long, pointed, ovoid buds. ADR winner 2010. The frequent flushes provide consistent soft color in the garden and a continuous supply of beautiful cut flowers. The product of long, pointed ovoid buds, the pinn blooms delight with their color, form and fragrance.
