

Moonlit Lace Viburnum

Evergreen shrub with clusters of white blooms in spring over glossy green and burgundy foliage.

Viburnum tinus x davidii 'Moonlit Lace'

- **Use**: Produces rounded white flower clusters in spring above glossy green and burgundy foliage. Once established, this super viburnum is drought tolerant and is reported to be deer resistant. Great for use as a hedge or in mass plantings.
- **Exposure/Soil**: Full to part sun. Requires well-drained soil and good moisture. Needs extra water during a drought.
- **Growth**: Reaches 3-4 ft. tall and 4-5 ft. wide.
- **Hardiness**: Zone 7-9; Shrub
- **Foliage**: Evergreen; Glossy evergreen foliage has colorful new growth and fall color.
- **Flower**: Pure white flowers in spring are followed by red fruit which matures to black.
