

Clematis Arabella

Tough vine that bursts forth with showy flowers from delicate foliage!

Clematis 'Arabella'

- **Use:** "Queen of the climbers." Clematis are prized for their incredible flowers, most as large as your hand. Will train onto trellises, fences, or arch over doorways. Only needs to have its roots shaded and its flowers in the sun. This specimen works well planted in the border, grown over a shrub, or trained over a trellis or pergola. This Clematis is suitable for growing in shaded areas.
- **Exposure/Soil:** Full sun–shade (not deep shade); Water regularly, when top 3" of soil is dry. Use slow release fertilizer twice a year. Once established needs only occasional water.
- **Growth:** Fast grower to 8 to 12 feet long. Pruning type 3: Just cut it back near the ground in winter and it happily springs back every year for another show.
- **Hardiness:** 3-9; Perennial, Vine
- **Foliage:** Deciduous. Delicate green leaves.
- **Flowers:** A beautiful new hybrid with the herbaceous scrambling habit of integrifolia but with large, upturned flowers. The blooms appear constantly all summer and begins a deep blue-mauve color fading to a pale blue.
