

# Mandarin Honeysuckle

This is a great plant for tricky slopes or to add color under trees or in a shady area. Will attract birds and is deer and rabbit resistant.

## *Lonicera x brownii* 'Mandarin'

- **Use:** Drape over walls or let it sprawl across the rooftop for cottage garden charm. This show-stopping honeysuckle will delight with gorgeous, orange-pink blooms in summer through fall. They'll also invite plenty of butterflies and bees to your garden, adding another layer of whimsy to the vine's rustic cottage look and feel.
- **Exposure/Soil:** Prefers part sun, but will take shade. Water regularly, when top 3 in. of soil is dry to start. Little water needed once established.
- **Growth:** Fast growing, upright vine with stems 10 to 20 ft. long.
- **Hardiness:** Zone 4-9; Perennial Vine or Shrub
- **Foliage:** Semi-deciduous. This plant will be partially evergreen in zones 7 and 8.
- **Flower:** Delightful, tubular, mandarin orange flowers with pale orange interiors on this vigorous vine with a twining habit that will quickly cloak shade arbors, old trees, and woven wire fences.
