

Bacopa

Bacopa sutera

- **Use:** These 'living carpet' plants are vigorous, versatile, and superb as solo plantings or in combos. Easy to grow, much-loved, and much publicized by consumer magazines and TV programs.
-
- **Exposure/Soil:** Plant in sun (with good soil!) or partial shade. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers. If you are not good at watering we recommend using **Soil Moist**.
- **Growth:** Grows 4-6" tall and 12-24" wide trailing, or more if rich soil. Use in hanging baskets, combinations and window boxes.
- **Hardiness:** 10-11, annual, houseplant
- **Foliage:** Glossy deep green and holds well.
- **Flower:** White flowers appear all season; strongly trailing plants; low maintenance; perfect filler plant in combinations

Fast growing and deer resistant!
