Calibrachoa 'Superbells Cherry Red'

- ***Use:*** ***I'll KNOCK your socks off!*** Excellent used in beds, borders, hanging baskets, and containers. Lovely near your pool or water features. Low maintenance. Deer resistant and attracts hummingbirds.
- ***Exposure/Soil:*** Loves full sun or at least 4-5 hours of afternoon sun. They love the heat! Water 2-3 times a week. Try to keep water off of the leaves. Requires well-draining soil and appreciates slow release fertilizer. Water regularly under the leaves. If you are not good at watering get some **Soil Moist**.
- ***Growth:*** Moderate grower 6-12" high and 20-30" trailing.
- ***Hardiness:*** Annual, Zone 9-11; Some people have luck with them coming back in the ground if mulched heavily in the winter. Will not come up until following May.
- ***Foliage:*** Dainty, green leaves.
- ***Flowers:*** An abundance of small cherry-red, petunia-like flowers all season long until fall frosts. One of our most popular Superbells, its beautiful deep color works well in all sorts of combinations or used alone. It will intertwine well with other plants in hanging baskets.

**5 months of
nonstop blooms**
