

Confetti Series Compact Hypoestes

**Beautiful
accent plant!**

Hypoestes phyllostachya 'Confetti Series'

- **Use:** Confetti Compact's habit and decorative foliage make it especially appropriate as an indoor potted plant and as a component item in mixed containers with other indoor foliage plants. This series works equally well in outdoor mixed containers and baskets. Grows best in clumps, borders, hanging baskets, and small groups.
- **Exposure/Soil:** Plant in full sun (will need great irrigation to not dry out and could be difficult to maintain) to partial sun (preferred). Must be in good soil, no red clay. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers for best results. **DO NOT ALLOW TO DRY OUT!**
- **Growth:** Full, well branched plants grow QUICKLY to 4-6" tall and wide tall and wide in one season. Plant 6" inches apart.
- **Hardiness:** Zone 9-11 Annual
- **Foliage:** Decorative foliage and compact habit work well indoors and out. Pinch back tips occasionally for a super bushy plant.
- **Flower:** Small purple flowers, but known mainly for the colorful foliage.
