Petunia 'E3 Easy Wave Series'

- **Use:** *Dahling, we're talking high drama!* Not only do these lovelies trail and spill from their containers, or cover the ground with their luxurious color, they have nonstop FLOWER POWER that we're sure Wave gardeners will go nuts for! The E3 Easy Wave® Petunias will take your garden to the next level with earlier blooms and more cold tolerance than the older Wave® series without sacrificing the heat tolerance.. Great for use in containers, flowerbeds, and large landscapes. Loved by hummingbirds.
- **Exposure/Soil:** Plant in full sun to partial sun. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers for best results.
- **Growth:** Growing just 4 to 8 inches tall and trails 2-3 wide, it's a favorite plant for use in entrances to subdivisions and hills.
- **Hardiness:** Zone 9-11 Annual, Many people have success with them re-seeding and coming back every year.
- **Foliage:** Deciduous. Pinch back tips occasionally for a super bushy plant.
- **Flower:** Fantastic trumpet shaped flowers come in a come in a large assortment of possible colors and bloom earlier in March and then continue until fall frosts in November.
