

Bees Knees Petunia Basket

Petunia 'Bees Knees' PP32448;

- **Use:** Bee's Knees is filled with lush blooms and puts on a high-impact show all season long with very little attention. It brings the most intense yellow petunia to the market, along with the best performance! This variety holds its yellow color better than any other yellow petunia. Versatile, works well in containers and the landscape. All-America Selections Gold Medal Winner.
- **Exposure/Soil:** Plant in full sun to partial sun. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers for best results.
- **Growth:** Grows 8-10" tall and 16-22" wide.
- **Hardiness:** **Zone** 10-11 Annual, May reseed.
- **Foliage:** Deciduous. Green foliage. Pinch back tips occasionally for a super bushy plant.
- **Flower:** Lush blooms that put on a colorful show of deep yellow, non-fading flowers all season long. The intense yellow petunia color contrasts beautifully against the deep green leaves from spring until fall.
