

Supertunia Bubblegum Petunia

Petunia 'Supertunia Vista Bubblegum'

- **Use:** The Best Petunia. Period.® Supertunia Vista petunias are very vigorous, with mounding habits that can reach up to 2 feet in height in the landscape and will trail over the edges of baskets and containers up to 4 feet by the end of the season. They are fantastic landscape plants and are great in large containers, where they function as both fillers and spillers. In garden beds, they will work either in the front or middle of the bed. They have medium-sized flowers.
- **Exposure/Soil:** Plant in full sun to partial sun. Use slow release or water soluble fertilizer. Keep soil moist watering under leaves and flowers for best results.
- **Growth:** So in a garden bed, border, or landscape feature we grow 16 - 24 inches tall, and spread w-a-a-y out. As much as 2 feet. You want to fill an area with wall-to-wall medium pink flowers all season? I'm your plant. Hanging baskets, window boxes, patio containers, same story.
- **Hardiness:** Zone 10-11 Annual,
- **Foliage:** Deciduous. It's pointy leaves remain green in color throughout the season.
- **Flower:** Almost as fast as a kid can blow a bubble, this remarkable Petunia Supertunia® Vista Bubblegum® fills a basket to overflowing, or pours out across a bed in a wave of vibrant pink blossoms. Pink Vista Bubblegum® complemented the flowers or foliage of every companion we tried—purple, blue, silver, white, and many other pinks.
