

# Aphrodite Amaryllis

Comes  
back  
every  
year and  
very  
easy to  
grow!

## *Amaryllis hippeastrum* 'Aphrodite'

- **Use:** This easy-to-grow bulb is a real gem! Our bulbs are larger than most other stores which means more flowers! Plant 7 weeks before Christmas to enjoy flowers for the holidays! Amaryllis are perennials here in Georgia and come back every year with more and larger flowers each summer! Our premium Dutch bulbs are selected for their size, beauty and reliability. Each bulb will produce at least 2 stems and a total of 8 flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained.
- **Growth:** The non-invasive stems spread out to 3' wide each season.
- **Hardiness:** 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** Named for the Greek goddess of love and beauty (also known as Venus), these fully double blooms with lightly ruffled edges are demure but magnetic. The snow-white petals with pink brush-marks and darker pink tips will draw you irresistibly closer.

**Did you know that we recycle empty pots and trays? Please bring them back! Save the Earth!**
