

Minerva Amaryllis

Comes
back
every
year
and
very
easy to
grow!

Amaryllis hippeastrum 'Minerva'

- **Use:** This easy-to-grow bulb is a real gem! Our bulbs are larger than most other stores which means more flowers! Plant 7 weeks before Christmas to enjoy flowers for the holidays! Amaryllis are perennials here in Georgia and come back every year with more and larger flowers each summer! Our premium Dutch bulbs are selected for their size (28/30cm), beauty and reliability. Each bulb will produce at least 2 stems and a total of 8 flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained.
- **Growth:** The non-invasive stems spread out to 3' wide each season.
- **Hardiness:** 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** Like her namesake, the goddess of Wisdom, Minerva is a smart one, bright and stylish. Full petals are a saturated red, overlaid with a white star and accented by stippled veining. After flowers have faded keep watering bulb lightly until last spring frost and then plant in your garden.

Did you know that we recycle empty pots and trays? Please bring them back! Save the Earth!
