

Terra Mystica Amaryllis

Comes back every year and very easy to grow!

Amaryllis hippeastrum 'Terra Mystica'

- **Use:** This easy-to-grow bulb is a real gem! Our bulbs are larger than most other stores which means more flowers! Amaryllis are perennials here in Georgia and come back every year with more and larger flowers each summer! Our premium Dutch bulbs are selected for their size beauty and reliability. Each bulb will produce at least 2 stems and a total of 8 flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained. Not tolerant of soggy red clay, so add bark and sand to increase drainage.
- **Growth:** Grows 12" tall. To keep short keep a little on the dry side and in full sun. After blooming is finished wait until after last frost in spring and then plant outdoors. They will then rebloom each year in summer.
- **Hardiness: Zone** 7-10 Perennial; Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** This sultry bloom is rosy-terra cotta with a spreading garnet-plum throat and narrow, feathered white petal margins. The paler reverse is accented with garnet-plum midveins that morph to pale lime-ivory.
