

# Amadeus Candy Amaryllis

**Comes back every year and very easy to grow! Sells for over \$20 in bulb catalogs! We pride ourselves in selling larger bulbs than the box stores that will produce more stems and flowers.**

## ***Hippeastrum 'Amadeus Candy'***

- **Use:** Indulge yourself with these fully double, rose-pink blooms with darker veining and lighter pink edges. The shapely blooms and rich, iridescent colors of Amaryllis light up a cold day like nothing else we know. Each bulb will produce at least 2 stems and a total of 8+ flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry, but allow soil to dry slightly in between watering. We don't recommend forcing them in straight water. Drought tolerant when established. Plant outdoors in late April in sandy soil and they will come back each year in zone 8.
- **Growth:** The bulb will send out more stalks of flowers and grower larger over time. **Ask cashier for a handout on care.**
- **Hardiness:** Zone 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** These fully double 8" blooms are stunning. Each softly ruffled petal is accented with the most delicate touch of pink at the tip. A floriferous beauty.
