

Beautiful Emotion Amaryllis

Comes back every year and very easy to grow! Sells for over \$20 in bulb catalogs! We pride ourselves in selling larger bulbs than the box stores that will produce more stems and flowers.

Hippeastrum 'Beautiful Emotion'

- **Use:** 'Beautiful Emotion'. Actually, the name says it all. A very beautiful amaryllis that touches everyone. Blossoms are lavishly packed with peachy, white-striped petals overlaid with an iridescent sheen. Green accents in the center of the bloom too. Each bulb averages 2 stems and a total of 8+ flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry, but allow soil to dry slightly in between watering. We don't recommend forcing them in straight water. Drought tolerant when established. Plant outdoors in late April in sandy soil and they will come back each year in zone 8.
- **Growth:** The bulb will send out more stalks of flowers and grower larger over time. **Ask cashier for a handout on care.**
- **Hardiness:** Zone 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** Has large double blooms of salmon-pink open from huge buds. Broad white blazes brighten the petals. Allow 8–10 weeks from bulb to bloom.
