## *Hippeastrum 'Flamingo Amadeus'*

- **Use:** Large, 9" wide, double, peachy blossoms with white highlights and just enough ruffling to create a sense of movement. This standout is a remarkable and reliable antidote to winter blahs. The shapely blooms and rich, iridescent colors of Amaryllis light up a cold day like nothing else we know. Each bulb will produce at least 2 stems and a total of 8 flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained.
- **Growth:** The bulb will send out more stalks of flowers and grower larger over time. **Ask cashier for a handout on care.**
- **Hardiness:** Zone 7-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** A double-flowered Amaryllis and, with its beautiful red-pink (almost salmon) with white veins, is an excellent addition to the popular double-flowered Amadeus range. The white veining inwards attracts everyone's attention. A floriferous beauty.
