

Pink Surprise Amaryllis

A gorgeous true pink that will produce four to five flowers per stem. Coming to life in the depth of winter, this indoor-flowering bulb will bring a welcome touch of colour and exoticism to your home as its buds gradually open to reveal their show-stopping beauty. Amaryllis are easy to grow and make an ideal gift.

Hippeastrum 'Pink Surprise'

- **Use:** Pink Surprise Amaryllis is a reliable bloomer that produces glorious, deep pink flowers on elegant stems. The velvety amaryllis grow to 7" wide and show off their gorgeous color with style. Each bulb will produce at least 2 stems and a total of 8+ flowers.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry. Drought tolerant when established, but prefers moist soil, but must be well-drained. Prefers a snug pot and after watering be sure to allow soil to almost dry out before watering again.
- **Growth:** Grows 1-2' tall. (To keep a shorter stem do not overwater bulbs and keep in high light.) The bulb will send out more stalks of flowers and grower larger over time. **Ask cashier for a handout on care.**
- **Hardiness:** Zone 7/8-10 Perennial Herbaceous.
- **Foliage:** Deciduous. Long, strap-like leaves.
- **Flower:** The huge flower is candy pink and for that a real eye catcher in every house. Blooms in 8-10 weeks from planting.
